Until the expiration of any applicable warranty period, Declarant hereby reserves to itself and its designees, a right of access over and through the Common Elements and any Lot to perform warranty related work within the Common Elements or the Lots. Section 5: These easements are subject to all other easements and encumbrances of record in the office of the Register of Deeds, including those created by this Declaration. Declarant or the Association, as appropriate, when exercising the rights and easements granted by this Article, shall: (i) give reasonable prior notice to all affected Owners, unless an emergency exists which precludes such notice; (ii) minimize any economic or aesthetic injury to the affected Lots or the Common Elements; and (iii) not unreasonably interfere with the affected Owners' use, enjoyment and benefit from such Owners' Lots or the Common Elements.

If an easement is relocated, the cost of such relocation shall be paid by the Person requesting the relocation. Any damage resulting from the exercise of the aforesaid rights and easements shall be promptly repaired and the site restored to the extent practicable by Declarant or the Association, as appropriate, or at the option of Declarant or the Association, the party responsible for such damage. In either case, the cost of such repair and restoration shall be paid for by the party responsible for the damage.

The Association is hereby authorized but not obligated to take any such measures.

Section 7: Declarant hereby grants, and Declarant hereby reserves to itself and, on behalf of itself and its successors and assigns, to each Owner and each Person lawfully occupying a Lot a non-exclusive right and easement of use and enjoyment in common with others of the Common Elements. Such right and easement of use and enjoyment shall be appurtenant to each Lot, whether or not mentioned in the deed thereto. Any purported conveyance or other transfer of such rights and easements without the Lot to which such rights and easements are appurtenant shall be void.

Section 8: Vehicle and Pedestrian Access. Declarant hereby grant, and Declarant hereby reserves on behalf of itself and its successors and assigns during the Development Period and for so long as Declarant is an Owner, to each other Owner and each Person lawfully occupying a Lot a non-exclusive easement over all roadways, driveways, walkways, and pathways on the Common Elements for the purpose of vehicular and/or pedestrian access, ingress and egress, as appropriate, to any portion of the Property to which such Person has the right to go, subject to any Rules and Regulations promulgated by the Association. Any purported conveyance or other transfer of such rights and easements without the Lot to which such right and easement are appurtenant shall be void.

Section 9: The rights and easements of enjoyment created hereby shall be subject (in addition to any easements granted or reserved in this Declaration or pursuant to the other Association Documents) to all rights and powers of Declarant and the Association when exercised in accordance with the other applicable provisions of the Association Documents, including without limitation the Association's right to regulate the use of the Common Elements and to establish reasonable charges therefor, to grant easements across the Common Elements, to dedicate portions of the Common Elements and to mortgage the Common Elements.

Section 11: If any improvement on the Property now or hereafter encroaches on any other portion of the Property by reason of (1) the original construction thereof, (2) deviations within normal construction tolerances in the upkeep of any improvement, or (3) the settling or shifting of any land or improvement, an easement is hereby granted to the extent of any such encroachment for the period of time any encroachment exists. The Owner of the encroaching improvement shall also have an easement for the limited purpose of upkeep of the encroaching improvement. This easement does not relieve any Owner or any other Person from liability for such Owner's or other Person's negligence or willful misconduct.

Section 12: If the original design and construction of any improvements on a Lot shall result in an encroachment by a roof or eave over and upon the Common Elements or an adjacent Lot, an easement is hereby granted to the extent of any such encroachment for the period of time such encroachment exists, which easement shall continue upon any reconstruction or repair of the improvements in accordance with the original design and construction.

Section 13: To the extent that any portion of the Property now or hereafter supports or contributes to the support of any other portion of the Property, the former is hereby burdened with an easement for the lateral and subjacent support of the latter.

Section 14: No Person who owns Property subject to this Declaration may subordinate the easements herein created to any subsequent encumbrance. The easements and rights granted by this Declaration shall not be enforceable by Persons to whom such easements and rights may be delegated by Owners, including without limitation the guests, tenants, agents or invitees of any Owner. This section does not affect, however, court-appointed officers in possession and control of a Lot acting in the name, place and stead of Owners or any Person's right to enforce any easements or rights granted in any lease or agreement between such Person and an Owner.

ARTICLE VIII  
COMMON EXPENSES AND ASSESSMENTS

Section 1: Common Expenses and Assessments: At least sixty (60) days before the beginning of each fiscal year, the Executive Board shall adopt a budget for the Association containing an estimate of the total amount considered necessary for the ensuing fiscal year to pay Common Expenses and cost of other expenses that may be declared to be Common Expenses by the Association Documents or by resolution of the Executive Board.

Such budget shall also include such reasonable amounts as the Executive Board considers necessary to provide working capital (available cash for day-to-day expenses which is otherwise uncommitted), a general operating reserve (including an amount to cover operating losses due to insurance deductibles) and reserves for contingencies (potential costs or liabilities which have not been incurred but which should be planned for) and replacements. At least thirty (30) days before the beginning of each fiscal year, the Executive Board shall make available a copy of the budget in a reasonably itemized form which sets forth the amount of the Common Expenses and the assessment

payable by each Owner and provide a copy of such budget to each member. Such budget shall constitute the basis for determining the assessment against each Lot. The annual budget adopted by the Executive Board shall be presented to the Owners for ratification at a meeting as provided in the Bylaws and the Act. The budget is ratified unless at that meeting seventy-five percent (75%) of all of the Owners in the Association reject the budget. Should the Executive Board at any time determine, in its sole discretion, that the assessments levied are, or may prove to be, insufficient to pay the Common Expenses of the Association during such fiscal year, or in the event of emergencies, the Executive Board shall have the authority to levy such additional assessments it may deem to be necessary.

Section 2: Assessments and Common Expenses.

(a) Rate of Assessments and Payment. Subject to the provisions of Section 3 hereof, the total amount of the estimated funds required for the management and upkeep of the Property set forth in the budget as an annual assessment or levied as an additional assessment shall be assessed against each Lot annually in amounts as determined by the Executive Board, which said amounts shall be equal for all Lots. The initial monthly assessment shall be \$250.00 per originally platted unit per year. Any and all such assessments and other charges shall be a lien against each Owner's Lot as provided in Section 8.7 hereof. On or before the first day of each fiscal year, and the first day of each succeeding payment period in such fiscal year, each Owner shall pay to the Association at such place as the Executive Board may direct that installment of the annual assessment which is due during such period. The Executive Board shall establish one or more payment periods and the due dates for each such payment in each fiscal year. All sums collected by the Executive Board with respect to assessments against the Lots or from any other source may be commingled into a single fund.

(b) Lots Added During the Fiscal Year. Notwithstanding any other provision of this Article, whenever any Additional Property is added; the assessment against each Lot being added shall be prorated based upon the number of days remaining in the payment period and shall be calculated in the same manner and due in the same number of installments as the assessment for the remainder of the fiscal year against Lots already a part of the Property.

(c) Special Assessments. The Executive Board shall have the power to assess an Owner's Lot individually (i) for the amount of and costs incurred by the Association in performing upkeep that the Owner failed to perform as required by that section, (ii) for the costs of improvements determined by the Board to be substantially for the benefit of that Owner, (iii) for the amount of any charges imposed on that Owner pursuant to Article VIII, Section 2 (d) hereof, and (iv) for any costs incurred by the Association because of any violation or negligence for which that Owner is responsible under the

Association Documents or the Act. Each such assessment shall be due ten (10) days after notice thereof is given to the Owner unless the notice specifies a later date.

(d) Optional Expenses. Upon request, the Association may provide certain services to Owners (including Declarant) on a contractual basis; provided, however, that the charge for such services shall be assessed against such Owner's Lot in accordance with the terms of the contract.

(e) Reserves. The Executive Board shall build up and maintain reasonable reserves for working capital, contingencies and replacements. Such funds shall be a Common Expense of the Association and may be deposited with any financial institution, the accounts of which are insured by an agency of the United States of America or may, in the discretion of the Executive Board, be invested in obligations of, or fully guaranteed as to principal by, the United States of America. Reserves for items serving only certain Lots shall be accounted for and funded solely by the Owners served as a Limited Common Expense. As to each separate reserve account:

(i) Extraordinary expenditures not originally included in the annual budget, which may become necessary during the year, shall be charged first against the appropriate reserves. Except for expenses for normal upkeep shown in the annual operating budget, all expenses for repair and replacement of physical assets maintained by the Association shall be charged first against the appropriate reserves. Unless otherwise determined by the Executive Board, the amount held as reserves shall not substantially exceed the amount reasonably required to assure the Association's ability to replace components as they reach the end of their useful lives.

(ii) If regular maintenance extends the useful life of components so that reserves are excessive, the reserves shall be adjusted by reallocation to other budget items or by distribution to each Owner (including Declarant) in proportion to the percentage (if any) of assessments paid by such Owner.

(iii) If the reserves are inadequate to meet the actual expenditures for any reason (including non-payment of any Owner's assessment) then the Executive Board shall, in accordance with Article VIII, Section 1 hereof, levy an additional assessment against the Lots.

(iv) In order to establish a new association account with each new Owner, upon the conveyance of a Lot by Declarant or any successor to each Owner, each Owner shall contribute at closing One Hundred Dollars (\$100.00) said sum to be paid to the Association. Said sum is not an advance payment of regular assessments but shall be utilized to establish a new account with the new Owner.

### Section 3: Surplus and Deficit.

(a) Any amount accumulated in excess of the amount required for actual expenses and reserves shall, at the discretion of the Executive Board, be placed in reserve accounts, be placed in a

special account to be expended solely for the general welfare of the Owners, be credited to the next periodic installments due from Owner under the current fiscal years budget, until exhausted, or distributed to each Owner (including Declarant) in proportion to the percentage (if any) of assessments paid by such Owner.

(b) Unless the budget for the succeeding fiscal year is adjusted to amortize the deficit during such fiscal year, any net shortage in expenses (including reserves) shall be assessed promptly against the Owners as an additional assessment in accordance with this Article; provided, however, that during the period Declarant owns Lots exempt from assessment Declarant may, at Declarant's sole discretion, make up the shortage in the Association's budgeted income over the Association's expenses

Section 4: Exemptions. During the Development Period, Lots owned by Declarant shall not be obligated for, nor subject to any annual or special assessment for any Lot owned by Declarant, provided, however, that Declarant shall be obligated for paying for each Lot owned by Declarant which contains a Dwelling Unit for which a certificate of occupancy has been issued, one-fourth (1/4) of the total amount of any assessment levied by the Executive Board against such Lot(s). The Common Elements owned by Declarant or the Association shall be exempt from assessments and the lien created hereby. Notwithstanding this Section 4, a Lot owned by Declarant which contains a Dwelling Unit occupied as a residence (but not as a model or sales center) shall be assessed at the full rate levied against all Lots. It is not the intent of the declarants to assess any Lot during the construction phase.

That is to say the initial lot owner who receives a deed from the Declarant shall not pay assessments until at least one structure is occupied.

Section 5: Liability for Common Expenses. Declarant for each lot owned by Declarant, subject to Section 4, hereby covenants and agrees, and each Owner of a Lot by acceptance of a deed therefor, whether or not so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association all Common Expenses and other charges assessed by the Executive Board pursuant to the provisions of this Declaration. Each Owner shall be personally liable for all assessments against such Owner's Lot. No Owner may be exempted from liability for the assessment for Common Expenses by reason of waiver of the use or enjoyment of any of the Common Elements or by abandonment of the Lot. No Owner shall be liable for the payment of any part of the Common Expenses assessed against the Lot subsequent to the date of recordation of a conveyance by such Owner in fee of such Lot Prior to or at the time of any such conveyance, all liens, unpaid charges and assessments shall be paid in full and discharged. The purchaser of a Lot shall be jointly and severally liable with the selling Owner for all unpaid assessments against the latter for the proportionate share of the Common

Expenses up to the time of such recordation, without prejudice to the purchaser's right to recover from the selling Owner amounts paid by the purchaser therefor, provided, however, that any such purchaser may rely on a statement of common expenses obtained pursuant to Section 7 herein.

Each Mortgagee who comes into possession of a Lot by virtue of foreclosure or by deed or assignment in lieu of foreclosure, or any purchaser at a foreclosure sale, shall take the Lot free of any claims for unpaid assessments or charges against such Lot which accrue prior to the time such Mortgagee or purchaser comes into possession thereof. The lien created in Section 2 hereof shall cease to exist with respect to assessments and charges levied prior to the time title is transferred by foreclosure or by deed of assignment in lieu thereof; provided, however, that if the proceeds of a foreclosure exceed the total amount due to the Mortgagee, the excess shall first be paid to the Association and applied to the satisfaction of the lien.

Section 6: Collection of Assessments. Any assessment, or installation thereof, not paid within thirty (30) days after the due date shall be delinquent and shall accrue a late charge in the amount not to exceed the greater of Twenty Dollars (\$20.00) per month or ten percent (10%) of any assessment or installment thereof unpaid. The Executive Board, or the managing agent at the request of the Board, shall take prompt action to collect any assessments for Common Expenses due from any Owner or member which remain unpaid for more than thirty (30) days after the due date for payment thereof.

Section 7: Statement of Common Expenses. The Executive Board or managing agent shall provide any member, Owner, contract purchaser or Mortgagee, within three (3) days after a written request therefor, with a written statement of all unpaid assessments for Common Expenses due with respect to a specific Lot (or a statement that the amount of unpaid assessments is zero). No contract purchaser, Mortgagee or purchaser from a Mortgagee requesting such a statement shall be liable for, nor shall the Lot conveyed to such Person relying on such statement be subject to a lien for, any amount greater than unpaid assessments or charges due prior to the date of such set forth on such statement; provided, however, that this section shall not be interrupted to release any Person from personal liability for such assessments levied while such Person owned the Lot. The Executive Board may impose a reasonable charge for the preparation of such statement.

Section 8: Lien for Assessments. The total annual assessment of each Owner for Common Expenses, any additional assessment, any special assessment or any other sum duly levied (including without limitation fines, charges, interest, late charges, etc.), pursuant to the Association Documents, is hereby declared to be a lien levied against any Lot owned by any Owner when a claim of lien is filed in the office of the Clerk of Court of Pitt County. Until fully paid and satisfied, the lien shall apply to and

encumber all of the Lots that were owned, as of the date when payment was due, by the Owner from whom payment was due, and shall also apply to and encumber any and all Lots thereafter acquired by that Owner from the time such Owner becomes the Owner thereof. With respect to annual assessment, the lien is effective on the first day of each fiscal year of the Association and, as to additional assessments, special assessments and other sums duly levied, on the first day of the next payment period which begins more than fifteen (15) days after the date of notice to the Owner of such additional assessment, special assessment or levy. The lien created by this section shall be prior to all liens and encumbrances hereafter recorded except a first mortgage or first deed of trust held by a Mortgagee, real estate taxes and other charges levied by governmental authority and made superior by law. The personal obligation of the Owner to pay such assessment shall, in addition, remain such Owner's personal obligation and a suit to recover a money judgment for non-payment of any assessment or installation thereof, levied pursuant hereto, may be maintained without foreclosing or waiving the lien herein created to secure the same.

In any case where an assessment against the Owner is payable in installments, upon a default by such Owner in the timely payment of any two (2) consecutive installments, the maturity of the remaining total of the unpaid installments of such assessment may be accelerated, at the option of the Executive Board, and the entire balance of the assessment may be declared due and payable in full by the service of notice to such effect upon the defaulting Owner.

The lien for assessments may be enforced and foreclosed in any manner permitted by the Act and laws of North Carolina for foreclosure of mortgages or deeds of trust containing a power of sale or by an action in the name of the Executive Board, or the managing agent, acting on behalf of the Association. The plaintiff in such proceeding shall have the right to the appointment of a receiver, if available under the laws of North Carolina. The Association shall have the power to bid on the Lot at foreclosure or other legal sales and to acquire, hold, lease, mortgage, convey or otherwise deal with such Lot.

A suit to recover a money judgment for unpaid assessments may be maintained without foreclosing or waiving the lien securing the same, and a foreclosure may be maintained notwithstanding the pendency of any suit to recover a money judgment.

**Section 9: Subordination and Mortgage Protection.** Notwithstanding any other provision hereof to the contrary, the lien of any assessment levied pursuant to the Association Documents upon any Lot (and any charges, interest on assessments, late charges or the like) shall be subordinate to, and shall in no way affect the rights of the holder of a Mortgage made in good faith for value received; provided, however, that such subordination shall apply only to assessments which have become due and

payable prior to a sale or transfer of such Lot pursuant to foreclosing or any proceedings in lieu of foreclosure. Such sale or transfer shall not relieve the Mortgagee or the purchaser of the Lot at such sale from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment, which lien shall have the same effect and be enforced in the same manner as provided herein.

## ARTICLE IX

Section 1: Upkeep of Common Elements. The Association shall be responsible for the management and upkeep of all of the Common Elements, which upkeep shall be consistent with the community-wide standard established by the Association. (b) Operational. The Association shall not be liable to any Member or Owner for loss or damage, by theft or otherwise, of articles which may be stored upon any portion of the Property. No diminution, offset or abatement of any assessments shall be claimed or allowed for inconvenience or discomfort arising from the making of repairs or improvements to the Property by the Association or from any action taken by the Association to comply with any law, ordinance or with the order or directive of any governmental authority. This Section is not intended nor shall it be construed to relieve any insurer of its contractual obligation under any policy benefitting the Association, a Member or an Owner.

Variances contained in plans that are inadvertently approved by the ARC as part of the proposed improvements shall not be considered as having been approved unless specifically approved by the Board in accordance with the provisions of this Section.

Such fidelity bonds (except for fidelity bonds obtained by the managing agent for its own personnel) shall: (i) name the Association as an obligee, and (ii) contain waivers of any defense based upon the exclusion of Persons who serve without compensation from any definition of "employee" or similar expression;

No member or Owner shall obtain separate insurance policies on the Common Elements owned by the Association.

#### ARTICLE XIII

##### COMPLIANCE ANTI ENFORCEMENT

Section 1: General Default Remedies. Every Owner and occupant of any Lot shall comply with the Association Documents and the Act. Failure to comply shall be grounds for an action by the Association to recover sums due, for damages, injunctive relief or any other remedy available at law and equity or under the Act.

Section 2: Enforcement/Sanctions. The Board or such other Association agent with the Board's approval, may impose sanctions for violations of Association Documents after notice and a hearing in accordance with the procedures set forth in the Declaration. Such sanctions may include, without limitation:

- (1) Imposing reasonable monetary fines which shall constitute a lien upon the Lot of the Owner;

Section 4: Cumulative Remedies. The Association shall have all powers and remedies under the Act and the Association Documents which shall be cumulative of any remedies available at law or in equity.

Section 5: Association's Right Not to Take Action. The Association shall not be obligated to take action to enforce any covenant, restriction, or rule with the Board reasonably determines is, or is likely to be construed as, inconsistent with the applicable law, or in any case in which the Board reasonably determines that the Association's position is not strong enough to justify taking enforcement action. Any such determination shall not be construed a waiver of the right of the Association to enforce such provision under other circumstances or stop the Association from enforcing any other covenant, restriction or rule.

Section 6: Enforcement by Owner. Nothing set forth in this Article 13 shall prevent any aggrieved Owner from instituting any available remedy in law or in equity for a violation of the Association Documents.

Section 7: No Waiver. The failure of the Association to enforce any right, provision, covenant or condition which may be granted by this Declaration or the other above-mentioned documents shall not constitute a waiver of the right of the Association to enforce such right, provision, covenant or condition in the future.

Section 8: No Waiver by Declarant. The failure of Declarant to enforce any right, privilege, covenant or condition which may be granted to it by this Declaration or the other above-mentioned document, shall not constitute a waiver of the right of Declarant to thereafter enforce such right, provision, covenant or condition in the future.

Section 9: Attorneys' Fees. In any proceeding arising because of an alleged default by an Owner, the Association, if successful, shall be entitled to recover the costs of the proceeding and such reasonable attorneys' fees as may be determined by the Court, but in no event shall any Owner be entitled to such attorneys' fees except as otherwise provided in the Act

ARTICLE XIV  
USE RESTRICTIONS

Section 1: Business Use Prohibited. No trade, business, profession or other type of commercial activity shall be carried on upon any Lot, except that the Declarant, real estate brokers, Owners and their agents may show Lots for sale or lease. Section 2: Use of Accessory Structures. No tent, shack, barn, car port, metal awnings, metal utility sheds or other building, other than a Dwelling Unit, shall be erected on a Lot, and used temporarily or permanently as a residence, nor shall any such structure be used for any other purpose. No Owner shall allow the grass on a Lot to grow to a height in excess of six (6) inches, measured from the surface of the ground. All improved Lots must have grass lawns; no gravel or similar type lawns are permitted.

In the event that the need for maintenance, repair or replacement of the lawns is caused by the willful or negligent act of the Lot owner, his family or invitees, and specifically the failure to water the lawn, the cost of such maintenance, repair or replacement shall be added to and become a part of the assessment to which Lot is subject.

Section 7: Failure to Maintain. If an Owner fails to maintain the Lot or the improvements thereon, the Association, after giving such Owner at least ten (10) days' written notice, shall be authorized to undertake such maintenance at the Owner's expense. All matters arising in connection with any wall which would constitute a party wall at common law shall, to the extent consistent with the provisions of this Article, be subject to the common law of North Carolina as modified by statute from time to time and as modified by this Article. If the centerline of a party wall now or hereafter fails to coincide with the boundary between the Lots it serves, an easement for any resulting encroachment is granted in accordance with Article V, Section 11 hereof.

Section 2: Upkeep. The Owners of Lots served by a party wall shall provide for the upkeep of party walls and shall share equally the cost of their upkeep except as otherwise provided in this Article. No Owner shall impair the structural integrity of any party wall nor diminish the fire protection afforded by any party wall.

Section 3: Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, the following procedures shall be followed in order to restore such party wall.

(1) Either Owner served by the party wall shall notify the other Owner served by the party wall of any proposal to repair the wall. If within ten (10) days after such notice (or in an emergency, within twenty-four (24) hours after such notice or a bona fide attempt to give such notice) the other Owner has not responded to the notice, then the Owner giving notice may proceed with the repairs. Such repairs must be substantially similar to the original construction and installation and of first class quality, but may be made with contemporary materials.

(2) If the other Owner served by the party wall responds to the notice, the Owners shall act together to repair the party wall. If the Owners are unable to agree upon the action to be taken, they shall submit the issue to arbitration in accordance with Section 5 hereof.

(3) If any Owner restores a party wall in accordance with this section, then the other Owner shall contribute one-half (1/2) of the cost thereof. An Owner may, however, demand a larger contribution from the other Owner or refuse to contribute one-half (1/2) of such costs, under any rule of law or equity regarding liability for negligent or willful acts or omissions.

(4) To the extent that any failure to repair a party wall affects the use and enjoyment of the Common Elements, the Association may participate in the repair of the party wall and, in an emergency situation threatening life or property, make such repair without notice to the Owners. The Association may assess the cost of such repair against the Owners responsible for the damage or benefitting from the repair pursuant to Article VIII, Section 2(c) hereof.

**Section 5: Arbitration.** In the event of any dispute between Owners concerning a party wall, the Owners on each side shall select one arbitrator, and the arbitrators thus selected shall select one additional arbitrator. Arbitrators shall be qualified by experience and education to serve as such. Once selected, the arbitrators shall promptly agree upon and notify the parties of the discovery procedures and roles of evidence to be used in the arbitration. The arbitrators shall be requested to reach a decision within twenty (20) days after their appointment. The decision of a majority of the arbitrators shall bind the Owners and their successors in interest. The cost of arbitration shall be paid by the losing party unless the arbitrators determine that the cost should be otherwise allocated between the parties, in which case that allocation shall be binding.

**Section 6: Fences and Other Barriers.** The provisions of this Article pertaining to party walls shall also govern any fence, other barrier or shared improvement the upkeep of which is not provided by the Association pursuant to Article IX and to any replacement thereof authorized by the Architectural Committee.
