WHEREAS, Declarant proposes to sell and convey Lots 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35 and 36 as shown of the aforesaid plat to be used for residential purposes and to develop said Lots and additional property within the Development Area which may be added to the development by the Declarant to be developed into a well planned community by the Declarant; and

WHEREAS, Declarant, prior to selling and conveying the aforesaid residential Lots, desires to impose upon such Lots certain mutual and beneficial restrictions, covenants, conditions and charges (hereinafter collectively referred to as "Restrictions") for the benefit of all of the residential Lots in the subdivision in order to promote the best interest and protect the investments of Declarant and Owners;

NOW, THEREFORE, Declarant hereby declares that all of the properties described above shall be held, subdivided, sold and conveyed subject to the following easements, restrictions, covenants, and conditions, which are for the purpose of protecting the value and desirability of, and which shall run with, the real property and be binding on all parties having any right, title, or interest in the described properties or any part thereof, their heirs, successors and assigns, and shall inure to the benefit of each owner thereof.

1. These covenants to run with the land and shall be binding on all parties and all persons claiming under them under until February 1, 2025, at which time said covenants shall be automatically extended for successive periods of twenty (20) years unless by vote of a majority of the then owners of the lots, it is agreed to change said covenants in whole or in part.

2. If the parties hereto or any of them or their heirs or assigns, shall violate or attempt to violate any of the covenants herein, it shall be lawful for any other person or persons owning real property situated in said development or subdivision to prosecute any proceeding at law or in equity against the person or persons violating or attempting to violate any such covenant and either to prevent him or them from so doing or to recover damages or other dues for such violations.

3. Invalidation of any one of these covenants by judgment or court order shall in no way affect any of the other provisions which shall remain in full force and effect.

4. All lots in this tract of the subdivision shall be known and described as residential lots for residential purposes only. No structure shall be erected, altered, placed or permitted to remain on any residential plot other than one single family dwelling used incidental to the residential use of the property.

5. Any residence built on any lot shall be "stick built" only. No modular home, mobile home or double-wide shall be placed on any lot. No structure shall be placed on any lot until Paragraph 6 has been complied with.

6. Plan approval: No site preparation or initial construction, erection, or installation of any improvements, including, but not limited to, dwelling units, outbuildings, driveways, fences, walls, or other structures shall be undertaken upon any lot in this subdivision without the prior approval of Declarant or its successors or designees. It is the intent of the parties that all exteriors of the structures shall be harmonious with all of the other structures in Treyburn, Section Two. All building plans or specifications showing the exterior materials being used and exterior paint scheme of the proposed improvements or outbuildings shall be submitted and approved by the Declarant or its successors or designees. Such approval in all events must be in writing. If no approval or rejection has been given for such planned use or for such plans which have been deposited or delivered to the Declarant, its successors or designees within thirty (30) days after written application, the plan shall be deemed to have been approved. In any event, no mail box shall be constructed of brick or similar materials.

7. No structure shall be erected, altered, placed or permitted to remain on any residential plot other than one detached single family dwelling not to exceed two and one-half stories in height, exclusive of basements, one detached structure not exceeding two stories in height, to be used as a private garage for not more than two (2) cars, and one non-detached out building constructed and used incidental to the residential use of the property. Any garage facing the front or side yard, must have garage doors.

8. Any residence constructed on a lot shall have a minimum square footage, more specifically described as heated living area, exclusive of one-story open porches, garage and basements, of not less than One thousand four hundred (1400) square feet.

9. Any permitted outbuilding or detached structure erected or placed on any lot shall be constructed with the same materials, quality, general appearance, workmanship and be aesthetically

compatible with the dwelling located on said lot. No metal carports shall be permitted on any lot.

10. No ramp or other structure for skateboards, bicycles or other wheeled recreational devices shall be constructed upon any lot which exceeds a height of Five (5) feet and a width and length in excess of Eight (8) feet by Ten (10) feet.

11. All driveways must be constructed of concrete materials.

12. No building shall be located nearer to the front lot line or nearer to the side street line than the building setback line shown on the recorded map. No building shall be located nearer than ten (10) feet to any side lot line.

13. No noxious or offensive trade or activity shall be carried on upon any lot nor shall anything be done thereon which may become an annoyance or nuisance to other lot owners or the neighborhood.

14. No barber shops, beauty parlors or shops, commercial or business activity shall be permitted or suffered to remain on any of the lots shown on the map referred to herein, nor shall any activity be carried on which under the Ordinances of the City of Greenville, North Carolina, are identified as "Cottage Industries".

15. No trailer, basement, tent, shack, garage, barn or other outbuildings erected, parked or placed on the tract shall at any time be used as a residence, temporarily or permanent, nor shall any structure of a temporary character be used as a residence.

16. No sign of any kind shall be displayed to the public view on this property except one sign of not more than eight (8) square feet advertising the property for sale, or signs used by a builder, developer, realtor or owner to advertise the property during construction and then for sale.

No animals, livestock, poultry, or reptiles of any kind shall be raised, bred or kept on any portion of the property, except that domesticated dogs, cats and small non-offensive and harmless household pets may be kept by the owner of the property, provided that they are not kept or used for breeding or maintained for any commercial purpose, and it is further provided that it is the intent of this covenant to

allow owners of lots of the property to keep pets, within reason. However, no owner of any lot within the property will be allowed to keep more than two dogs or two cats on the property.

18. No trucks or tractors may be regularly stored or parked upon the property. This provision shall not, however, be interpreted to prohibit the owner of a pick-up truck, up to 1 ton in size, being used by any owner of this property for his personal conveyance, and such truck may be parked upon the property. Also the owner of any portion of the property may park thereon a lawn tractor to be used for the upkeep of the property.

19. No stripped, partially wrecked, or junk motor vehicles, shall be permitted to be parked or kept on any lot. All motor vehicles of any type kept on any lot shall have current registration and inspection certificates.

20. No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall not be kept except in sanitary containers.

21. All individual purchasers, from and after the date of the recording of this Declaration, shall be required to keep their respective portion of this property free and clear of weeds, rubbish, trash, debris and other matter.

22. To prevent driveways to each residence located on any lot within the property from disrupting existing street drainage, it is required, that each lot owner properly install driveway tile required by North Carolina Department of Transportation under the driveways to such lots pursuant to required specifications unless a different size is approved by the North Carolina Department of Transportation. Each owner shall grass the ditch on each side of the pipe to prevent erosion and shall keep the ditch and pipes cleaned out so as to permit a free flow of water.

23. Upon acquiring ownership of any lot, the owner of any lot shall be comply with all governmental regulations regarding erosion control upon or adjacent to said lot. The owner shall be responsible for any erosion problems resulting from construction, including but not limited to, construction of buildings,

driveways, sidewalks, utilities, septic systems, as applicable, and landscaping, resulting from actions of its agents, employees or assigns, and shall be responsible to pay for any and all fines from the appropriate governmental agencies, whether assessed to the owner of the lot of the parties of the first part.

The lot owner shall take corrective measures within one week of receiving notice from either the appropriate governmental agency, or the parties of the first part. Upon the failure of the lot owner to perform necessary corrective measures within the week set out herein, the parties of the first part may perform necessary landscaping required by the appropriate governmental authority. The lot owner shall be liable to pay the parties of the first part their cost in taking the necessary corrective measures.

24. No fence shall be constructed, built or erected on any lot on the property, except for a PVC fence, a chain link fence, a split-rail fence or privacy fence constructed of salt treated lumber or redwood; and any such chain link fence, split-rail fence or privacy fence shall be constructed, built or erected at least one foot from the property lines of such lot, after having obtained written approval for same from Declarant or its designee. It is further provided that no fence of any kind shall be constructed on any lots on the property in the front yard of such lot, said front yard being defined as that particular area of the yard located between the formal entrance of the residence and the street.

25. Any Liquid Propane Gas tank installed on a lot must be placed in the backyard and fenced or enclosed in a manner not visible from the front yard. The backyard portion of the premises being defined as that particular area of the yard located between the rear corner of the residence and the back or rear lot line.

26. All utilities must be placed underground.

27. No satellite dish or comparable communication device, except a small dish no larger than 18 inches in diameter to be placed in the rear of the lot, and no transmitting tower or antenna exceeding a height of twenty (20) feet from ground level, shall be placed, used or erected on any lot within the property, either temporarily or permanently, and same shall not be permitted to exist on the property.

28. Following the installation of residential street lighting by means of mercury vapor or sodium vapor lighting units within the subdivision, any party or person who may then own, or who may hereafter own, any interest in any lot within the subdivision, shall be obligated to pay to Greenville Utilities Commission or the City of Greenville, North Carolina, the monthly rate per lot (plus applicable North Carolina sales tax) set forth in Electric Rate Schedule No. 4-A, entitled Rural Street Lighting Service, of the Utility Regulations of Greenville, Utilities Commission. The obligation to pay such a monthly rate, as it may change from time to time, shall continue until such time as the subdivision is annexed into the corporate limits of a city, town or village, and responsibility for the cost of street lighting is assumed by, or transferred to, a governmental unit. Any and all mercury vapor or sodium vapor lighting units installed within the subdivision shall be and remain the property of Greenville Utilities Commission.

29. The agreements contained herein shall not be construed as imposing any covenants and restrictions on any property of the owners of the subdivision other than those lots to which these protective and restrictive covenants specifically apply.

IN WITNESS WHEREOF, the said parties of the first part, have hereunto set their hands and seals, this the 29th day of ~~September~~, 2005.
